

PUDDING PANIC App Now Available for iPad, iPhone and iPod touch on the App Store

BERLIN -- June 7, 2011 -- Berlin-based game developer kunst-stoff presents PUDDING PANIC: The action-packed puzzle game for iPad, iPhone and iPod touch is now available on the App Store.

Users play an anxious pudding, trapped on a ghost train through a spooky haunted house. Puzzle your way to the exit – but beware of frightful monsters that are waiting for you in the dark, ready to scare you until the vanilla sauce freezes in your veins! Your only chance of survival is to scare the monsters back before you quiver, shiver and faint from fear. Users can fight evil witches, scary skeletons and rusty knights with an arsenal of weapons and traps, such as the fearsome Rat Racer, the Viper Punch or the Kitty Bomb, a kitten which is no longer so cute when it explodes. Players can manipulate the train tracks and find the fastest way out of the haunted house while collecting coins for their weapons and valerian for their nerves.

Users test their courage in 48 suspenseful levels of the ghost train and dive into four fantastically-designed worlds: the Black Forest, the Purple Mines, the Sleepy Graves and the Dark Castle. Achievements, puzzling solving, playing against the clock, unraveling labyrinths and trying to winning treacherous races, promise to keep gameplay fresh and inspiring for users of any level.

The **PUDDING PANIC App** is available for 0,79 € / 0,99\$ from the App Store on iPhone and iPod touch and for 2,39 € / 2,99\$ on iPad, at www.itunes.com/appstore.

kunst-stoff is an independent game developer and producer based in Berlin. kunst-stoff also produces interactive exhibits for clients in the industrial and cultural fields and is active in the development of new technology. In 2008, kunst-stoff was a composite of freelancers, working together on interactive games and exhibits. In the meantime, the company has grown into an award-winning game developer, receiving the honor of the German Developer Award in the category "Best Children's Game 2010". (Contact see next page)
